We always suggest that Scouts bring and read the Merit Badge Booklet. Scouts must attend all Merit Badge sessions, and complete all work to earn the badge. Missing sessions may make it impossible to complete badges in one weeks time.

These Merit Badges will not be started at Camp; Citizenship in the Community and Personnel Management. If Scouts have their portfolios completed we will have staff available to check this material.

If Scouters are available for a week with specific Merit Badge skills we will announce that at the Sunday Scoutmasters meeting.
