- ~ Although we prefer as much lead time as possible in reserving your dates, we'll make every attempt to take care of short notice reservation requests.
- ~ We do not accept credit cards. Make your check payable to Vertical Heartland.
- ~ For groups of 7 or less participants, a 50% deposit is required to reserve date(s).
- ~ For groups of 8 or more participants, a \$300 per day (\$150 ½ day) deposit is required to reserve date(s).
- ~ Deposits are refundable only as a credit toward future scheduling within six months, and only if at least a 14-day notice is given. We will not refund deposits with a credit if less than a 14-day notice is given.
- ~ A minimum of a 14-day notice is required to qualify for a lower base price by reducing group size. If less than a 14-day notice is given, your group will be charged the base rate that corresponded to the initially scheduled group size.
- ~ The per person rate charged will always correspond with the rate sheet, despite any last minute changes in group size.
- ~ The balance of funds due is payable the morning of the scheduled trip.

#### **Situation Examples:**

- ~ Your scheduled group of 10 shrinks to 5 with less than a 14-day notice. The \$100 base rate will still apply with the \$65 per person rate.
- ~ Your scheduled group of 25 shrinks to 16 with less than a 14-day notice. The \$350 base rate will apply with the \$30 per person rate.
- ~ Your scheduled group of 5 shrinks to 3 with less than a 14-day notice. The per person rate will apply for 3 as stated in the rate sheet. There is no base rate applicable.

Please notice our guide to client ratio of 1:7 or better. We cannot be expected to drop our guides with less than a 14-day notice if your group has already confirmed a number, hence, our terms.

#### **Inclement Weather**

If the weather forecast is poor (pouring rain, lightning, storms, etc.) within 24 hours before a program, Vertical Heartland will recommend postponement and rescheduling with credit of deposit. However, if the client(s) still chooses to climb, then it will be at the client's monetary risk should inclement weather cause any postponement. Any time lost during the day due to temporary postponement (lightning, etc) will not be refunded. If the day is cut short by inclement weather, there will be no refund for the remaining part of the day.
